**POLICY SUBJECT/TITLE: UTILITY SERVICE CONNECTIONS**

**EFFECTIVE DATE: March 4, 2008**

**POLICY**

The purpose of this policy is to provide direction and clarification of owner responsibilities for new and replacement utility service connections.

**Legal Reference:** By-Law #04-2007 Water  
By-Law #05-2007 Sewer

**REGULATIONS**

**1) New Service Connections**

- a) Any person who desires a new water or sewer service connection from the Village of Wabamun shall apply in writing to the Administrator and shall pay the amount specified in Schedule "A" attached hereto and forming part of By-Law 04-2007 and By-Law 05-2007.
- b) In the event that mains and/or services to the property line are required in order to provide the services for the applicant, the applicant will be required to pay the cost of the said mains and services.
- c) The Council may refuse to allow any new connection or installations or any new or change any existing service at any time for any reason, which it may consider sufficient.

**2) Replacement or Repairs to Utility Services**

- a) In the event that the water or sewer service connections from the main to the residence requires replacement or repair, the Village of Wabamun shall repair the service at its cost to the improved surfaced edge of the roadway, curb or public sidewalk in existence, including the rehabilitation of the improved road surface curb and/or public sidewalk. The landowner shall be responsible for the costs of the service from the improved road surface or curb and public sidewalk, if they are in existence, to the residence and shall include any restoration costs to private driveways, sidewalks or landscaping.
