...Title
2020 Road Conditions and Overland Drainage Update

Proposed Motion

That the 2020 Road Conditions and Overland Drainage update be received for information, as presented.

Administration Recommendation

Administration supports the proposed motion.

Purpose

The purpose of this verbal presentation is to provide an update on the road maintenance and drainage related activities that have occurred in 2020.

Summary

In 2020, Parkland County experienced a significant increase in overland drainage issues compared to previous years. These conditions and issues were the result wet conditions in the fall of 2019, rapid melt and increased rainfall in the spring of 2020. Parkland County continues to monitor and address immediate overland drainage issues and road conditions.
