Open Data Policy C-IS01

Proposed Motion

That Council approve Open Data Policy C-IS01.

Administration Recommendation

Administration supports the proposed motion.

Purpose

The purpose of an Open Data Program is to provide open data to the public, providing exceptional customer service, increasing transparency, promoting innovation, which stimulates citizen engagement opportunities and encourages collaboration. Datasets will be accessed from an online open data catalog.

Summary

Open data will be released in an electronic format with Geographic Information Services responsible for the administration and management of the data and the site.

Strategic Plan:

Pillar 1: Complete Communities
