Microsoft Enterprise Agreement

Proposed Motion

That administration be directed to renew the Microsoft enterprise agreement for a three-year term, as presented.

Administration Recommendation

Administration supports the proposed motion.

Purpose

The Microsoft enterprise agreement is a 3 year agreement that extends beyond the 2021 budget therefore needs Council approval.

Summary

Parkland County signed the first enterprise agreement in 2010, renewed for three years in 2015 and in 2018, and is now renewing in 2021 for a three-year period. It encompasses all software licensing costs for Microsoft products including Windows and Dynamics 365.

Strategic Plan/Policy/Legal/Staff Implications

Pillar 4; Responsible Leadership - Parkland County maintains the public's trust through transparent and fair decision-making, superior service delivery, and effective communication.

Financial Impact:

Cost: \$556,477.93/year for a total of \$1,669,433.79

Source of Funding: 2022-2024 Operating Budget
