9:30 a.m. Appointment - Nature Policy Framework Update  
Guy Greenaway, Executive Director, Corvus Centre

### **Proposed Motion**

That the Nature Policy Framework update be received for information, as presented.

### **Administration Recommendation**

Administration supports the proposed motion.

### **Purpose**

To provide an update on the Nature Policy Framework development to support the conservation of Environmentally Significant Areas (ESAs), including proposed document content and policy areas.

### **Summary**

Parkland County Council has requested a review and update of the County's framework on environmentally significant areas to support responsible management of natural assets and amenities as per the 2024-2025 Council Strategic Priorities. This project will create a policy framework to support these outcomes that is grounded in moving from identification of natural assets and environmentally significant areas to conservation. It will enable conservation and stewardship tools and will be supported by policy in the Municipal Development Plan and Land Use Bylaw.

### **Strategic Plan/Policy/Legal/Staff Implications:**

Council's Strategic Plan Goal C1  
Integrated Community Sustainability Plan

### **Financial Impact:**

Cost: \$0  
Source of Funding: N/A
