Elected officials attending the 2016 Alberta Urban Municipalities Association Convention on October 6<sup>th</sup> were made aware that the Capital Region Board is planning to expand their mandate to include various decisions that are presently made by local elected officials.

The Capital Region Board has proposed policies relative to Economic Development, Transit Authorities and Agricultural issues that expand their mandate beyond a land use planning role.

The Capital Region Board has been advised of Parkland County's concern that any expansion of their mandate beyond land use planning policy will impair a municipal Councils and elected officials ability to effectively represent their communities
