To adopt the 2017 Property Tax Bylaw that establishes the property taxation rates, assessed against property within Parkland County, to raise sufficient tax revenue to fund municipal services and to provide for various requisitions from outside organizations.

### Summary

On April 11, 2017 Council approved a revised budget which resulted in a net municipal tax levy requirement of \$54,657,400. This levy as well as the required tax levies for the Family Leisure Centre, Capital Region Board, Senior's Foundations and the Education requisitions result in a total tax levy requirement of \$80,560,742 (Attachment 2). It is important to note that the municipality has no control over education taxes. The municipality is only responsible for levying them. The 2017 Education Property Tax Requisition for Parkland County has increased by 9% (Attachment 3). The Alberta Government provides information on the Education
