### Control of Activities on Property

#### **Proposed Motion**

That Council direct administration to prepare options for Council consideration to control the types of activities that can occur on a property when a building and/or land use is approved in Parkland County.

#### **Purpose**

At the March 14, 2017 Council meeting, Councillor Jensen presented a Notice of Motion for Council's consideration on March 28, 2017 at a scheduled Council meeting, regarding control of activities on property. Attached is the Notice of Motion.
