Business Survey Results

Proposed Motion

That the Business Survey Results be received for information, as presented.

Administration Recommendation

Administration recommends that the Committee accept the report as information.

Purpose

The purpose of this presentation is to share the findings of the 2017 Business Priorities Survey with Committee of the Whole.

Summary

Surveys were recently conducted within both the resident and business community. Detailed results of the business survey are included in the attached report.

Strategic Plan/Policy/Legal/Staff Implications:

Responsible Leadership

We maintain the public's trust through transparent and fair decision-making, superior service delivery, and effective communication
