Infrastructure Services Update Q2 - 2017

Proposed Motion

That Committee of the Whole receive the Infrastructure Services Update Q2-2017 for information, as presented.

Administration Recommendation

Administration supports the proposed motion.

Purpose

Administration wishes to keep Committee of the Whole and residents informed of the Infrastructure Services Division's key activities and projects undertaken in support of Council's Strategic Plan.

Summary

Administration is pleased to present the Infrastructure Services Division update and to answer any questions the Committee may have.
