Integrated Community Sustainability Plan Update

Proposed Motion

That the Integrated Community Sustainability Plan Update presentation be received for information, as presented.

Administration Recommendation

Administration recommends that the Committee accept the Integrated Community Sustainability Plan (ICSP) Update presentation for information, as presented.

Purpose

Administration is seeking to update the Committee on the draft ICSP content, and the project plan moving forward.

Summary

Administration is currently in the final stages of drafting the ICSP. Throughout 2017 administration has worked to complete the project's major milestones including stakeholder consultation and development of the draft document. Throughout September we will be completing a final review of the draft document which will be presented to Council in early October.

Strategic Plan/Policy/Legal/Staff Implications:

Pillar: Complete Communities

Objective: Completing and implementing statutory plans and other large-scale plans
