Sandhills Community League Sustainability Grant - Major Capital Request

Proposed Motion

That Council approve the Sandhills Community League Sustainability Grant - Major Capital request in the amount of \$30,923 for the 2021 budget, as presented.

Administration Recommendation

Administration supports the Sandhills Community League request. These projects were identified as part of the 2019 Facility Condition Assessment Report, and will improve the hall's usability and attractiveness for renters.

Purpose

As per Policy C-RP03, requests submitted under the Sustainability Grant - Major Capital are to be approved by Council.

Summary

Historically, Sandhills Community League (SCL) was a very active community league hosting numerous events, weddings, reunions and tournaments. For the past few years the SCL was in a stagnant stage with few board members and a limited number of activities happening at the hall. A new board has recently stepped up and they are looking to revive the SCL back into the active community center that it once was. SCL's new board is committed to maintaining their facilities and planning for the future and have created a priority list for hall maintenance using the *2019 Facility Condition Assessment Report* as a guideline.

SCL have identified areas of preventative maintenance and safety of focus for 2021; the replacement of shingles, cement walkways, lighting, siding, parking lot and fence repairs.

Strategic Plan/Policy/Legal/Staff Implications:

Complete Communities

1.1 We offer a range of lifestyle choices, community services and other amenities to meet community needs.

Parks Recreation and Culture Master Plan Implementation Plan Recommendation 9.4 - Community Halls for the Future.

Policy C-RP03

Financial Impact:

Cost: \$30,923

Source of Funding: 2021 Budget
