10. That Council rescind Policy C-AG 20 Seed Cleaning Plant Assistance.
11. That Council rescind Policy C-AG21 Soil Conservation.

Administration Recommendation

Administration supports the proposed motions.

Purpose

Council approved the overarching Agricultural Services Policy C-AG001 in May 2020. The above policies do not reflect current operational programs and services and are no longer relevant.

Summary

Committee of the Whole received a presentation on the rationale for rescinding the agriculture policies on April 6, 2021. Rescinding the above policies will reflect current operational practices, programs and services. The Agriculture Service Board has been consulted and has no concerns with rescinding the policies. The Agriculture Service Board has been consulted and has no concerns with rescinding the policies.

Strategic Plan/Policy/Legal/Staff Implications:

Supports Council strategic objectives for good governance practices.

Financial Impact:
